September 1, 2018

Dear Business Owner:

Habitat for Humanity of Wakulla County and the Wakulla Chapter of the Tallahassee Board of Realtors are working together to raise funds to build another home for a qualified family or individual in Wakulla County. Without a doubt, the challenge of building a home strictly on donations, fundraising events and volunteer efforts is a huge undertaking. We are confident that with the support of community business owners, such as yourself, this challenge will become a reality and change the life for a family or individual in our community forever!

On October 26, 2018 a Chili Cook-off fund raiser will be held at the Wakulla County Community Center and we need your help in making this event a big success. Please identify the level of Sponsorship support you pledge to provide:
